

# Uniform Expectations

**The school uniform should be worn in a neat, clean and tidy fashion.**

Students should be in full school or sport uniform – not a mixture of both.

Students who are out of uniform for a good reason are to present a note from parents/carers in their diary noting the reason.

The School Blazer is compulsory during the winter months and if additional clothing is required the jumper may then be worn underneath the blazer.

Full school uniform for girls is tights. In terms 1 and 4, there is an option to wear socks. Pants can be worn all year.

Full school uniform for boys is long pants with the option to wear shorts in terms 1 and 4.

The school tracksuit top is to be worn with the school tracksuit pants and PE/sport uniform. The school jumper may only be worn as additional clothing underneath the tracksuit top (ie the jumper must not be worn without the tracksuit top).

Additional items of clothing other than school uniform should not be worn. Items of school uniform should be clearly marked with the student's name.

**Predominantly white lace up joggers that have built in arch support must be worn for sport and PD/H/PE practical classes. School socks must be worn.**

School shoes must be black, polishable lace up leather school shoes for both boys and girls. **Skate shoes are not appropriate at any time.**

**Sport uniform to be worn on Sport days or on the day of PD/H/PE practical class only.** Students are required to wear a school cap for all sport activities and practical PD/H/PE lessons.

If a student is unable to wear their full correct sport uniform, including correct shoes, they are to attend school dressed fully in their regular uniform.

**Nail polish or make up** must not be worn to school by students in Years 7–10, however Senior girls in Years 11 and 12 may wear modest, natural looking make up.
