

**A UNIQUE OPPORTUNITY FOR STUDENTS  
KICK START YOUR MEDIA AND PUBLISHING CAREER**

**AUSTRALIAN  
CATHOLICS  
MEDIA  
INTERNSHIP  
PROGRAM**

**2020**

The *Australian Catholics* media internship program offers students from Catholic schools the chance to get hands on experience in media and publishing and be the guest editors of the Spring edition of our magazine.

**Apply now to be a correspondent**

We're looking for a number of journalistic correspondents to help bring us stories from different corners of the country. Our correspondents will work with our team of guest editors in Melbourne to plan and write stories for the edition, while being mentored by experienced journalists, editors and photographers.

Correspondents will need to be able to take a week out of classes to participate in video conference sessions with our editorial team, and spend time between sessions working on their articles.

**Dates**

The program will be held in the week of **Monday 11 to Friday 15 May**. The students will also be invited to connect with the team during an introductory session a week before the program, on the afternoon of 7 May.

**Application process**

The internship program is open to students in Years 10 and 11. Applications should be endorsed by a teacher, and include the

teacher and student's contact details. We will require schools to make arrangements for successful candidates to connect with our office via phone or video conferencing. Students will be required to complete their stories in the weeks after the internship ahead of the magazine's deadline in June.

**Students applying for the program should supply**

- An application letter outlining reasons for wanting to be part of the program
- Three samples of their writing
- An email contact and a letter of endorsement from a teacher, with a commitment from the school to make work experience arrangements for students.
- An email address so we can send students information about the week

**Applications should be submitted to Jesuit Communications no later than Friday 13 March, via email at [editor@australiancatholics.com.au](mailto:editor@australiancatholics.com.au).**

**Successful students will be notified by the end of Term 1. We shall try to offer unsuccessful candidates other opportunities to contribute to the magazine in the future.**

**If you have any further questions about the process, or if you need more detailed information, please contact our staff.**
