

Light Vehicle Apprenticeship

Launch your automotive trade career with HVTC Shoalhaven and our local host employer, Shoalhaven City Council.

What's involved?

During your apprenticeship you'll be employed by us while hosted to Council for practical on-the-job training. You'll also undertake formal training through a Registered Training Organisation.

About the role

Gain the skills to confidently diagnose, repair and maintain council plant, motor vehicles & assets, use and maintain tools & equipment and

follow safe working practices in an automotive workplace.

What's in it for you?

- Relevant practical experience through on the job training.
- Gain a nationally recognised qualification.
- Earn a wage while you study.
- Sought after Government opportunity.
